Casey has really done his homework in writing this book, and his delivery is on point. It's as if your nerdy, Star Wars know-it-all friend typed up every bit of obscure info and production backstory that exists and threw in a captivating sense of humor. 5/5 would buy again! 2 of 2 people found the following review helpful. Brilliant. By P. DeFrest Dan Casey's interviews and articles for The Nerdist are some of the best things to ever exist on the internet. This book is no different. A hilarious must-have for any Star Wars fan. I also highly recommend checking out his other work: <http://nerdist.com/tag/dan-casey/> 1 of 1 people found the following review helpful. Fuego By Jml This is an amazing book for any star wars fan, new or old. It is packed with fun and interesting ideas, recipes, and things to do as well as a ton of facts that will teach Star Wars to the younger fans and refresh many older fans before they see The Force Awakens. Definitely a must have for any Star Wars fan. Plus the author is like, super fuego.

Perfect for Star Wars fans who think they already know everything On May 25, 1977, the world of science fiction, film, and pop culture was changed forever with the release of Star Wars. The beginning of this epic space opera franchise would inspire an expanded universe of creativity, including books, comic books, theme parks, and much more. With extensive back stories, lore, and author Dan Casey's encyclopedic knowledge on the subject, this lively, detailed book explores the characters, storylines, and facts every true Star Wars fan should know. This guide covers the history of how a multibillion-dollar and beloved institution was born and went on to flourish. Dan Casey has collected every essential piece of Star Wars knowledge and trivia, including what infamous, cult classic TV movie introduced beloved bounty hunter Boba Fett, what Star Wars novel was released in 1976 before the first movie premiered, and what animal species is named after Han Solo. Whether you're a fan of the original film trilogy, an avid reader of the books, or can't wait to see what J. J. Abrams does with the next generation of movies, *100 Things Star Wars Fans Should Know Do Before They Die* is the perfect resource for all Star Wars fans looking to increase their knowledge of the storied franchise and look back on the most memorable moments of a galaxy far, far away.
