Full of good ideas for fun things to do, but also new thoughts to think about life and children and parenthood. It takes a modern, loving, insightful approach to being a Dad. It's a small book, so it's also portable. Could be carried with as you go on excursions. Thanks, !0 of 0 people found the following review helpful. good bookBy jamesOn time and a good read u am currently enjoying now I would recommend to every father to buy kind of scary
