Good book for horror fansBy Mr SunshineHad movies other than what I would consider 'Horror' but was fun to read through and gave my son ideas about the movies to seek out. When you are listing 101, the definition does broaden a little :)0 of 0 people found the following review helpful. Five StarsBy Nichole Kreitzergreat book0 of 0 people found the following review helpful. used for a giftBy myday94This was part of a gift for someone who collects horror books. They really liked it a lot. I also bought the other book (101 Sci-Fi Movies) that makes it a set. They go together very well.

Whether it be internal demons, real-life vampires, anonymous serial killers, crazed spouses, vengeful ghosts or Satan himself, horror films have gripped audiences and filmmakers alike since the very beginnings of cinema. Prepare to be terrified, fascinated and enthralled as you take this whirlwind tour of the 101 horror films you must see before you die. 101 Horror Films You Must See Before You Die gives you a thorough appreciation of the genre, because it

approaches the subject chronologically. You'll move through gothic classics like James Whale's *The Old Dark House* (1932) and Terence Fisher's *Dracula* (1958), to zombie movies like *Dawn of the Dead* (1978) and *28 Days Later* (2002). All the sub-genres are covered too, from *Eyes Without a Face* (mad scientist) and *The Howling* (werewolf) to *Nightmare on Elm Street* (slasher) and *The Silence of the Lambs* (serial killer). And you'll learn that it's not just American teenagers who are horror-film fodder. There are classic horror films from Japan (*Onibaba*), Russia (*Vij*), Italy (*Suspiria*), France (*Les Diaboliques*), Belgium (*Man Bites Dog*), Germany (*M*), and the Netherlands (*The Vanishing*). Immerse yourself in the most compelling of movie genres. Prepare to be possessed - and whatever you do, don't answer the phone...

A perfect companion for your frightening bookshelf. - [UpcomingDiscs.com](http://UpcomingDiscs.com)
