found the following review helpful. Lot of Variety with Helpful HintsBy JenniferA lot of great, fun games for different levels and ages. Including a few games that are more for audience laughter and entertainment than any real improvisational art. It also gives a lot of great pointers that don't usually come with games to help the reader/user be successful.0 of 0 people found the following review helpful. Four StarsBy Stephanie K. City Weekly Best of Utah Issue"Bob's classes are always the first to fill up. The kids just love him." Anne Oakeson, Director, University of Utah's Theater School for Youth
