Halpern If you are an aspiring or established romance author, reading this book and keeping it in your reference library is a must. Ms. Halpern's book is a series of brief overviews of 200 of the finest romantic flicks produced back as far as 1971. It's a gourmet buffet for the pickiest film connoisseur. Her book covers all genre from light comedy to heavy drama. Each review includes a question designed to sharpen the reader's appreciation of the film and the subject. This film dictionary should be welcomed on any reader's shelf that reads and retains books. First, it's very well written and just plain good reading! Second, it's a great film index for the romance film aficionado who wants to view that unseen movie they treasure. Third, the book is invaluable for the romance author who needs a prompt for a finishing touch when writing that next novel. And Fourth, it serves as a great resource for someone looking for what works and what doesn't in matters of the heart. 1 of 1 people found the following review helpful. Thank you Leslie for your clear and inspiring point of view! By Cath DePalma 200 Love Lessons is the perfect way to get critiques of your favorite movies and come away with a whole new perspective you would not have, otherwise, had with one view. We can only grasp so much the first time around. Leslie does a great job of zeroing in on the love lesson to be learned and provides us an example of how we can translate that lesson into a Love Language in our own lives as an additional bonus. In order to get more enjoyment and benefits from the movies you've watched or are about to view, and even the ones you may now want to see again, this book is a must read. I highly recommend it and invite you to see for yourself. Cath DePalma

Romantic movies no matter how fluffy or fanciful contain some kernel of truth about real-life love. These films are fictionalized accounts of the collective romantic experiences of everyone involved in the filmmaking process, so even average movies can provide spectacular insights for every stage of romance from first dates to wedding planning. No one knows this better than Leslie C. Halpern, a respected entertainment journalist who was a stringer for The Hollywood Reporter for 13 years and has contributed to Variety, the Orlando Sentinel, Marquee, and many other publications. She is also the author of Reel Romance: The Lovers Guide to the 100 Best Date Movies, which earned her a reputation as an expert on the subject of romantic movies, and Dreams on Film, which is used on college campuses around the world. Her book Passionate About Their Work: 151 Celebrities, Artists and Experts on Creativity was named one of MyShelf.com's Top Ten Reads for 2010. Now in her new book, 200 LOVE LESSONS FROM THE MOVIES, Leslie C. Halpern helps make our favorite movies even more enjoyable by showing us the nugget of relationship wisdom in them. Whether the movie features an unforgettable date (My Date with Drew), odd first meetings (Wimbledon), or a particularly stormy breakup (Eternal Sunshine of the Spotless Mind), Halpern steers the reader toward a valuable lesson to be learned, for example: 45. Don't Let Anger Obscure The Thoughtfulness of a Gift. 46. If You Broke It, Lost It, or Damaged It, then Replace It. 47. Make Sure You Really Want to Say Good-Bye When You Give a Good-Bye Gift. 48. Words May Deceive, but Facial Expressions Don't Lie. Reel Romance made Leslie Halpern a popular speaker at film festivals, book clubs, bookstores and campuses, and she has appeared in signings around the country, in addition to American television, Canadian television, radio, and print. 200 LOVE LESSONS FROM THE MOVIES is sure to attract an equally large and enthusiastic movie-loving audience.
