**Hallmark, TF Publishing : 2017-2018 Maxine 2 Year Pocket Calendar** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2017-2018 Maxine 2 Year Pocket Calendar:

I am not a fan of the "humor" associated with the comic character, and would not have purchased this if there were jokes on the monthly calendar pages. I love the soft colors of the different months. I use this as a desk calendar and it sure beats the plain white ones I have used in the past. This is checkbook size, so you could easily tote it with you where ever you would like.I am not sure about that other feedback saying the pages are rotated incorrectly; every one of these type of calendars I have owned was landscape. Plenty of room to jot notes on all seven days of the week.I guess if you have low vision, some of the colors may be a problem if you were to write on them in pencil. But for my uses, this is much more attractive than a bland refill and practical, too.0 of 0 people found the following review helpful. Great Calendar...and Maxine Wisdom to Boot!!!By HannahGreat calendar for jotting down appts, meetings, schedules etc. I like the overall size of this calendar but the day squares are a bit small, still able to get my abbreviated message written down. There are separate pages to enter phone numbers and several pages available for notes. And who doesn't like the wisdom of Maxine!!! I just wish they maker would have included some of her wisdom on the monthly pages....3 of 3 people found the following review helpful. Format is changed - for the worseBy CustomerThey changed the format from portrait to landscape and the page background is not white. I do not like the changes and will not purchase again.

Laugh at Hallmark's own, Maxine and her comic, yet relatable disposition each time your pull out this two-year pocket calendar which begins in January 2017 and continues through December 2018. Encased in a protective plastic covering, this is the perfect compact planner. All calendar pages are printed on FSC certified paper and use environmentally safe inks.
