**Hallmark : 2017 Maxine by Hallmark Daily Desktop Calendar** before purchasing it in order to gage whether or not it would be worth my time, and all praised 2017 Maxine by Hallmark Daily Desktop Calendar:

However, as soon as this one was removed from the box, the calendar pages clear back to October fell off. By balancing carefully, got them set up on the little stand. But seemed like very poor quality from previous ones. Now have to be careful tearing off pages -- didn't have to be that careful before. 1 of 1 people found the following review helpful. Disappointed By L. Pardi I love her calendars however this one came in 2 pieces. I had to tape it together and the stand doesn't lock in place. 0 of 0 people found the following review helpful. Some good funnies from Maxine, many that are not. By Lainie Marie I've loved Maxine for years. However I have found this calendar not to be very funny. Quite a few of her comments are rather risque which I don't mind, but my 8 year old granddaughter has been looking through it and I'll have to hide it.

Get cranky and get laughing with Maxine! Her quips about aging, the workplace, retirement, political correctness and of course sex (or the lack of it!) will keep you laughing all year in 2017! Equipped with an easel to sit on your desk and a cut out for hanging on your wall- you choose. The daily pages (Saturday and Sunday are combined) easily tear

off. All calendar pages are printed on FSC certified paper with environmentally safe inks.
