I have had the wall calendar for 2014, 2015, 2016, and now 2017! I am a huge fan of Wagener and the whole Maxine line. I had the wall calendar in years past at work, and it wasn't uncommon for coworkers and housekeeping flip through the months to see the antics and keep a laugh. Even after the year was over, I would save the images of Maxine from each month to brighten my day and adorn my scrapbook! Arrived in a timely manner in excellent condition. I would recommend this vendor.0 of 0 people found the following review helpful. Bright and funny!By P. HarryI love this calendar! Picking out just the right calendar is actually pretty important to me. It's something I look at every day and it really does affect my mood at work. This one has really bright, vivid colors which help make up for the drab colors of my workplace. I like that each month has a cartoon joke relevant to that month--Valentine's in February, spring cleaning for March, etc. And as for the calendar squares, they're big enough to write things in. I'm so glad I found this one. Maxine makes me laugh.0 of 0 people found the following review helpful. Somewhat below parBy April TorringtonStill Maxine...but not as funny or as sarcastic as usual.

Get cranky and get laughing with Maxine! Her quips about aging, the workplace, retirement, political correctness and of course sex (or the lack of it!) will keep you laughing all year! Check out her monthly wisdom in this 2017 Maxine calendar with a 4-month bonus spread. All calendar pages are printed on FSC certified paper with environmentally safe inks.
