She absolutely loved the idea of the book (read: the cover title) and would not put the book down for at least a half an hour, as she skimmed through it, laughing loudly! This is particularly great for the awesome guy to give to his girl. Not recommended if you are a "stereotypical brand" i.e. a skater, emo, in a band, live with your parents...etc. Even then, if your girl has a sense of humor, it's a great coffee table book!0 of 0 people found the following review helpful. Really funny book. We ladies got a chuckle out of it.

Tired of watching your man play X-Box all day? Does he cruise match.com when you're not home? When he takes you back to his place, does his mother answer the door? *50 Boyfriends Worse Than Yours* is a hilarious collection of these painfully familiar boyfriends, men we've all had the misfortune to meet. There's Thrifty, who thinks taking you out to Chuck E Cheese is charming; Goth Guy, who borrows your make-up; Large Pet Owner, who wears his Python around the house. Rounding out the list are The Flaw Corrector, The Comedian (who's using you for material), One Position Peter (enough said), and Balding and Touchy About It. Isn't revenge sweet? Funny, irresistible, and instantly relatable, *50 Boyfriends Worse Than Yours* is the perfect Valentine's Day gift.
