review helpful. Five StarsBy GivannaGreat for my hs drama class!1 of 1 people found the following review helpful. Great Resouce for First-Year Drama Students!By Robbie K. GillI bought these to use with my first-year drama students! They are a great resource for quick-to-memorize scenes! Highly recommended for students who are just exploring their dramatic side!

Easily staged scenes with believable teen characters in a variety of comic situations. The book is divided into scenes for two girls, scenes for two guys and mixed duet scenes. The incredibly believable teen characters are daring, outlandish and uninhibited as they deal with situations created by their own attitudes, perceptions and behaviors. The scenes focus on teen subjects: dating, egos, fads, crushes, broken hearts, grades, breaking rules, embarrassing moments and much more. Titles include: Most Popular, Text Rumors, Evil Twin, Lost Phone, The New Fad, Germophobic, Secret Crush, Fashion Police, Double Dare, Mind Reader and fifty-two more. Perfect for classroom practice or an evening of entertainment.

About the AuthorLaurie Allen is a West Texas playwright who was drawn to the theatre during her teen years at Snyder High School while performing plays under the legendary Jerry P. Worsham. As this influential director led his students to a record setting state championships in UIL one-act play competitions, he taught these small town students they could achieve any dream they longed for, whether it was in the theatre or beyond. So, after graduating, she decided to combine her love for the theatre and her passion to write, and try her hand at writing a play. Her first play, Gutter Girl, won the Indian River Players One-Act Play Competition. At that moment she was hooked, knowing she had found the place where she belonged.Now, over twenty-five of her plays for adults and teens have been published by various publishers. Her plays for teens have enjoyed wide success across the United States with several of her high school competition pieces succeeding in the National Speech Forensics Competitions.
