**Brian J. Robb : A Brief History of Walt Disney** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Brief History of Walt Disney:

A fascinating account of Walt Disney's own significant artistic creations and an insightful history of the hugely successful entertainment behemoth he created.

"Filled to the brim with production dates, names of unremembered animators, and behind the scenes facts, any Disney-loving aficionado will gobble this book up in the blink of an eye."Portland Book
