Pixar Art Books Are Always The BestBy BoomI was surprised how LARGE this book was! But I am really enjoying reading through it. Any behind the scenes looks at Pixar and their creative process is always a must have for any artist.0 of 1 people found the following review helpful. Would Buy from This Seller Again!By Matthew MartinezI was nervous about getting this "pre-owned" book, and wasn't sure in what condition it would be sent to me in. I'm happy to say, it's in great shape and I'm happy with the purchase. I had a good experience with this seller and would recommend buying from them.

This lavish celebration of "A Bug's Life", the new computer-animated film, profiles the innovative minds behind the movie, its cutting-edge animation techniques, and the movie's unforgettable, lovable characters. Full color.
