Henrik Ibsen : A Doll's House before purchasing it in order to gage whether or not it would be worth my time, and all praised A Doll's House:

0 of 0 people found the following review helpful. And A Doll's House, Part 2By KathyDelightful reading - now I am anxious to read the play by Lucas Hnath which is a sequel titled A Doll's House, Part 2 and is being performed in NYC at the present time. The sequel is said to be consistently funny.1 of 1 people found the following review helpful. A

Woman Becomes Real
By Tom Welch
I like this book because it is real. Many marriages even today are like this one. When faced with the existential choice, this woman accepts reality as it is and makes do with it, knowing this is the only way to find herself.
1 of 1 people found the following review helpful. I'm glad I did
By Gerald Vineyard
I have been seeing references to this book for years in other books I have read. I had to find out what the hype was all about. I'm glad I did. What at first glance seems to be a women's liberation movement piece is far more than that. There are lessons to be learned from this and I spent many hours digesting what I read. I wish I had read it years ago.

A Doll's House made Henrik Ibsen world famous; the play is still Ibsen's most popular and one of his most acclaimed. Frequently called the first feminist play, A Doll's House is a fierce critique of Victorian society's conduct toward women. The play revolves around the lives of Nora and Torvald Helmer. Nora is treated as a juvenile, foolish woman by her husband. In reality Nora has been secretly working odd jobs to pay back the money she borrowed when Torvald was ill. This selfless act saved Torvald's life. Nora borrowed the money from her father's bank by a forged signature and has been plagued with the fear of Torvald discovering her secret. When Torvald discovers the existence of the loan he berates Nora, calling her a deceitful and corrupt woman and telling her she is unfit to raise their children. He says that he will stay married only to maintain appearances. Nora realizing that Torvald's love has always been conditional on her maintaining a traditional role as wife and mother decides that she must leave to find out who she is and what to make of her life.

Maybe it's Nicholas Rudall's new translation. Maybe it's a matter of the gods. I couldn't put [A Doll's House] down. It's tight, and terse reads like a fine short novel. (Lolita Lark Of Arts, Literature, Philosophy and Humanities) --
