**Virginia Wright Wexman : A History of Film (History of Film)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A History of Film (History of Film):

Substantially revised for the Sixth Edition, A History of Film is a comprehensive international survey of film from its beginnings to the present. This text highlights the contributions of major film-producing countries, significant filmmakers, and their films within social, artistic, economic, and technological contexts. This Sixth Edition incorporates major revisions designed to improve the book's focus and provide more balanced coverage.
