Roger Ebert : A Kiss Is Still a Kiss before purchasing it in order to gage whether or not it would be worth my time, and all praised A Kiss Is Still a Kiss:

First Edition, 1st printing. Roger Ebert's first book of film criticism, after a scarce and obscure history of the University of Illinois that he edited. Signed by Roger Ebert on the half-title page inscribed dated in the year of publication as follows: "To Jamie, Thanks for being a friend - hope you enjoy the book. Roger Ebert 11-24-84". The first film critic to win the Pulitzer Prize, Roger Ebert revolutionized film criticism and, with the Chicago Tribune's Gene Siskel, virtually invented film criticism on television. Light wear to the edges, otherwise this book is clean and bright, with no creases, no tears, and no markings. The dustjacket has a small tear to the rear panel, with light wear rubbing to the edges and corners, otherwise it's also clean bright.
