Jon Holland : A Moonrunner's Tale: From Grit to Gold, How "The Dukes" was Born before purchasing it in order to gage whether or not it would be worth my time, and all praised A Moonrunner's Tale: From Grit to Gold, How "The Dukes" was Born:

0 of 0 people found the following review helpful. A Must Read Book Indeed...This One Is A KeeperBy beachmusicI originally bought this book for my husband and decided to read it for myself. The front cover of this book captivated

me like no other book into wanting to read it...and I'm so glad I did. I could not put this book down for one minute...trust me, it is that good!!! The pictures are awesome and each picture tells it's own story. The more I read and learned about Jerry Rushing's life as a "Moonrunner"...the more "Respect" I have for this man. Jerry Rushing was and still is a living "Legend", and I must say he earned his title of being a "True Duke Boy", honestly genuinely!!! Well done Mr. Holland...your writing is phenomenal. I appreciate the time it took for you to research write this truly amazing book. I know Jerry Rushing all your fans will cherish this book forever...I know I sure will Mr. Holland...Sincerely, Diane Barlow

By Patricia Poland
Though one person told me they found it boring, most Union County local persons interested in the moon-shining days of Jerry Rushing (his family) and also the connection to the Dukes of Hazzard television series to our county will be happy with this book - in fact, they'll probably want to know more and will complain that there wasn't enough information in the book.

By Richard Aissen
Great book

A Moonrunner's Tale focuses on the man and the movie that made the hit show The Dukes of Hazzard popular. Jerry Rushing, a moonshiner from Monroe, North Carolina, was the real life inspiration for the 1973 flick "Moonrunner's." his contribution to the film, and later to "The Dukes," was invaluable to creator Gy Waldron. An expansive tour of filming locations, as well as numerous behind-the-scene photos and stories, make up this not-to-be-missed history of one of television's most popular shows.
