**From University Of Luton Press : A Night in at the Opera: Media Representations of Opera** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Night in at the Opera: Media Representations of Opera:

What are the implications for opera and the opera house now that opera has become so popular on television and video, and why has cinema always been so much in love with opera?

About the AuthorJeremy Tambling teaches comparative literature at the University of Hong Kong.
