Fantastic book!!By kevin kajetzkeThis book is phenomenal, everybody wants to sneak a peek at it, so put it on your coffee table! Filled with great photos from the natural, unaugmented days of lore....1 of 1 people found the following review helpful. Good overview of Striptease industryBy LakeKidsThis is a fascinating overview of the history of striptease, including the various countries it originated from. How it developed and the laws that governed it over the 100 year history. Some old photos are really great and it's fun to read the stories of some of the more famous girls. Guess this "industry" has been around since time began.
