Vincent Yanez : A Thousand Paper Cranes: An Original Screenplay before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Thousand Paper Cranes: An Original Screenplay:

One year after losing his girlfriend in the attack on the World Trade Center, as Jack is slowly trying to piece his life back together, a postcard arrives. A postcard from a far off land, written in her handwriting, telling him she is waiting

for him. Here the journey begins, as one man travels to Tibet, the Land of the Snow Lion, not entirely sure if hes chasing a woman, a ghost or his own sanity.
