Maureen Cheryn Turim : Abstraction in Avant-Garde Films (Studies in Cinema) before purchasing it in order to gage whether or not it would be worth my time, and all praised Abstraction in Avant-Garde Films (Studies in Cinema):

From the PublisherThis product is not a traditionally bound book. Many ProQuest UMI products are black-and-white reproductions of original publications produced through the Books On Demand program. Alternately, this product may be a photocopy of a dissertation or it may be a collection reproduced on microfiche or microfilm if it is intended for library purchase.
