I like Steve Harvey, especially his book on 'Act Like a Success' so I thought I try this one. Hmm. Well. What a mistake. He seems to think he knows what all men want. Well I am a man and I want much different things. I think Steve is trying to be honest but he is giving his take on how he is with women and what he wants. I think his book includes a certain percentage of men, maybe 20-30%, maybe more. Who knows.For instance, in a relationship, true love is very important to me. I don't see this mentioned anywhere in his book, or anything about love for that matter. He's materialistic. He probably speaks for materialistic men. I mean, his current wife was an escort client of his for 20 years. lol. google it. I don't judge him. That's who he is. He says men want: loyalty, support, and the cookie from women. Sorry, I want true love, good/deep conversation, true friendship, emotional maturity, spiritual connection, trust, loyalty, outstanding sex, and someone who is fun to be around. So many other things in the book that is totally off on what men want.He seems to advocate the sugar daddy approach to women though he has a separate section on 'sugar daddy' which doesn't include himself. lol. For instance, he seem to think that if women give him loyalty, support, and the cookie, he will go outside and brave the battle for her and take care of her. Interesting. If that is not sugar daddy, I don't know what is. How about as a man, I want a woman who is RESPONSIBLE and can keep a job, and pay her own bills, instead of me fighting all her battles for her and taking care of her. I see marriage as a partnership. But I guess when you are rich as Steve, it doesn't matter. You can pay for everything. lol.Also I like to cuddle but Steve says men don't like to cuddle. I will drop a woman if she cannot get emotionally intimate with me. That is another requirement of mine but totally missed by Steve Harvey, who seem to imply that men only want sex in the bedroom. lol. I love kissing and foreplay.I do like Steve as a comedian and as a TV personality. He makes me laugh so hard. However he doesn't speak for me nor many of the men I know.1 of 1 people found the following review helpful. Easy readBy kjrockwoodEasy read with good information. Good insight into men. Steve Harvey knows of what he speaks of. Interesting read. Thank you0 of 0 people found the following review helpful. Good adviceBy YellowI really enjoyed reading this book from cover to cover in one sitting. This book is good as a reference book .having read it. I read the book after my husband admitted to being in an affair . The information was comforting.

Harvey offers surprising insights into the male mentality and gives women strategies for taming that unruly beast.Philadelphia InquirerWomen should listen to Steve Harvey when it comes to what a good man is about. Steve Harvey dispenses a lot of fabulous information about men.Aretha FranklinThe #1 New York Times bestseller from the new guru of relationship advice, Steve Harveys Act Like a Lady, Think Like a Man is an invaluable self-help book that can empower women everywhere to take control of their relationships. The host of a top-rated radio show listened to by millions dailyand of cable TVs The Steve Harvey ProjectHarvey knows what men really think about love, intimacy, and commitment. In Act Like a Lady, Think Like a Man, the author, media personality, and stand-up comedian gets serious, sharing his wealth of knowledge, insight, and no-nonsense advice for every good woman who wants to find a good man or make her current love last.

From Publishers WeeklyAs a popular comedian, radio host and red-blooded male, Harvey doesn't have the bona fides typical to most women's relationship self-help, but he still manages a thorough, witty guide to the modern man. Harvey undertakes the task because "Women are clueless about men," because "Men get away with a whole lot of stuff" and because he has "some valuable information to change all of that." Harvey makes a game effort, taking a bold but familiar men-are-dogs approach: if you're "cutting back" on sex, "he will have another woman lined up and waiting to give him what he needs and wants--the cookie." Several chapters later, however, he introduces the "ninety-day rule," asserting that, actually, he won't always have another woman lined up--and the only way to make sure is a three-month vetting period. Harvey also tackles mama's boys, "independent--and lonely--women," and the matter of children in the dating world ("If he's meeting the kids after you decide he's the one, it's too late"). Feminists and the easily offended probably won't take to Harvey's blanket statements and blunt advice, but Harvey's fans and those in need of tough (but ticklish) love advice should check it out (especially the hysterical last-chapter QA). Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. Harveys must-have guide to unlocking the male mind, understanding his game, anticipating his moves and countering with unstoppable offense and defense. (Los Angeles Sentinel)Women should listen to Steve Harvey when it comes to what a good man is about. Steve Harvey dispenses a lot of fabulous information about men. Its more than the average man will usually tell you. Steve Harvey will give it up. (Aretha Franklin)A thorough, witty guide to the modern man....those in need of tough (but ticklish) love advice should check it out (especially the hysterical last-chapter QA). (Publishers Weekly)Filled with practical principles, rules and tips, and illustrated with humorous and warm-hearted anecdotes from Harveys life and friendships, ACT LIKE A LADY, THINK LIKE A MAN gives readers the real deal about the differences between the sexes and how to bridge them for a mutually rewarding partnership. (New York Beacon)Harvey offers surprising insights into the male mentality and gives women strategies for taming that unruly beast. (The Philadelphia Inquirer)From the Back CoverSteve Harvey cant count the number of impressive women hes met over the

years women who can run a business, keep a household with three kids in tiptop shape, and chair a church group all at the same time. So when it comes to relationships, why can't these women figure out what makes men tick? According to Steve it's because they're asking other women for advice when they should be going directly to the source. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the male mindset; introduces concepts such as the ninety-day rule; and reveals the five questions women should ask a potential partner to determine how serious he is. Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships, intimacy, and love.
