Steve Harvey can't count the number of impressive women he's met over the years-women who can run a business, keep a household with three kids in tiptop shape, and chair a church group all at the same time. So when it comes to

relationships, why can't these women figure out what makes men tick? According to Steve it's because they're asking other women for advice when they should be going directly to the source. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the male mindset; introduces concepts such as the ninety-day rule; and reveals the five questions women should ask a potential partner to determine how serious he is. Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships, intimacy, and love.
