Adventure Times adorably weird and wonderful post-apocalyptic world has captured the hearts of fans worldwide. Featuring all the title cards from seasons 3 and 4 of the show, plus early sketches, creator commentary, and exclusive insights into the vast and varied inspirations behind the art, the second volume of Adventure Time: The Original Cartoon Title Cards is an absolute must-have for every fan.

"Put this in that gift bag for the nerd in your life." - Watch Play Read "You'll definitely want to grab a copy." - Geek Dad "The concept art for each featured episode card is visually stunning. Coupled with preliminary sketches as well as commentary from the show's artists like Natasha Allegri, Gunnar Gilmore, Michelle Xin, and Rebecca Sugar (who would go on to create Steven Universe), the book provides a rare insight into the creative process behind an episode." - Project Fandom "The second book stands alone from the first with its own brand of humor and enjoyment; so fear not

about it feeling repetitious. Pick it up if you're a fan or if you know someone that is; they will probably like you a little more." - City of Films "Sure the title cards are visual eye candy, but the quotes that are paired with each title card are equally good." - Entertainment Buddha "Looking for a truly mathematical book full of beautiful artwork and behind-the-scenes snippets? Then oh my glob, Adventure Time: The Original Cartoon Title Cards (Vol. 2) is here and waiting to be perused by you!" - Mugglenet "Could also be used to convince those skeptical about the artistic value of a Cartoon Network show that this is one worth checking out." - Roger Ebert.com "Overall a fantastic book." - Rotoscopers About the Author Pendleton Ward is an animator, screenwriter and producer, and creator of Adventure Time.
