before purchasing it in order to gage whether or not it would be worth my time, and all praised Adventures of a Mad Sixth Grader: Frank "n" Asian Man (The Play):

**A Play in One Act** This is the scripted version of the original book. Life sucks, especially if you are Frank who is a 6th grader, and a mad scientist that loves to experiment with everything. Franks experiments usually get him into trouble, but this time he is positive his latest experiment will solve all of his problems for good. Will Franks experiment do as predicted, or will the experiment backfire in his face? If you love producing/reading Screenplays with a crazy, adventures, wacky sense of humor, this Play is for you. This Play is perfect for middle school and high school students to preform. The Play is about 45min long. The script is complete with a list of character list, set list, properties list, and set suggestions.
