F. Mason : American Gangster Cinema: From 'Little Caesar' to 'Pulp Fiction' before purchasing it in order to gage whether or not it would be worth my time, and all praised American Gangster Cinema: From 'Little Caesar' to 'Pulp Fiction':

1 of 1 people found the following review helpful. Classic GenreBy M. AnthonyAs a fan of film and this genre being a favorite, I found this book very informative as well as an entertaining read!Excellent condition for a used edition, and I

highly recommend the vendors' service,0 of 0 people found the following review helpful. so if you are looking for an easy read remember that this book is a text bookBy jofmurrThis was purchased for a film class in college. It is very academic, so if you are looking for an easy read remember that this book is a text book.

Much analysis of gangster movies has been based upon a study of the gangster as a malign figuration of the American Dream, originally set in the era of the Depression. This text extends previous analysis of the genre by examining the evolution of gangster movies from the 1930s to the contemporary period and by placing them in the context of cultural and cinematic issues such as masculinity, consumerism and technology. With a close examination of many films from Scarface and Public Enemy to Reservoir Dogs and Pulp Fiction , this book provides a fascinating insight into a topical and popular subject.

'...extremely well-researched and very useful...a must for film-buffs.' - CerclesAbout the AuthorFRAN MASON is a Lecturer in Film and Cultural Studies at King Alfred's College where he has taught since 1991. He heads the BA programme in Film and American Culture and the MA in Contemporary Popular Knowledges.
