Joseph Conrad : Amy Foster before purchasing it in order to gage whether or not it would be worth my time, and all praised Amy Foster:

0 of 0 people found the following review helpful. A very actual shipwreck survivorBy medicusThis review is from:
Amy Foster (Kindle Edition)In a dense and beautiful prose, the story of the reception of the miraculous survivor of a
shipwreck in a community on the seashore. Heartrending and still a vivid questioning of our capacity to accept the

other. Excellent kindle text, albeit without the useful notes of the penguin edition of conrad tales of which I own a paper copy. Funnily, has censored a previous draft of this review most probably because of a n word which is used by Conrad in the title of his story which gives also the title of the volume. Suffice it to say that the end of the title is " of the Narcissus". Another beautiful tale of meeting the other's face.1 of 1 people found the following review helpful. A twisted tale of intolerance, a lesson to be learned in it for all.By wranglerlauraOne of the things I love about reading Conrad is that his books and short stories always leave me pondering the human condition. As a student of psychology, this story was intriguing in its twists and turns as it demonstrated the failings of prejudice.1 of 1 people found the following review helpful. Good readBy Tina :)I read this on my Kindle and it was a fairly quick read, with a touching, well-written story. It is one of the many great classics available for free download on Kindle with Prime membership.

Amy Foster

About the Author Joseph Conrad, (1857-1924) born JOzef Teodor Konrad Korzeniowski, was a Polish-born English novelist. Most of his works featured a nautical setting and depicted trials of the human spirit by the demands of duty and honor. Before he started writing, Conrad joined the French merchant marines and later joined the British navy. Some of his numerous works include, Heart of Darkness, The Arrow of Gold, The Secret Agent, An Outcast of the Islands, and Lord Jim.
