Oscar Wilde : An Ideal Husband: A Play before purchasing it in order to gage whether or not it would be worth my time, and all praised An Ideal Husband: A Play:

0 of 0 people found the following review helpful. A quick readBy Moe21Pretty good. A quick read. A little predictable, but that's just my opinion.0 of 0 people found the following review helpful. One of the best pieces of literature I have ever readBy modern butterflyOne of the best pieces of literature I have ever read. No wonder it's still in print 2000 years after it was written. A classic that is as relevant today as it was back then.0 of 0 people found the following review helpful. A Great StoryBy medenmanWilde is such a great wordsmith with such an exceptional wit

it's hard not to simply love his works. However, this story isn't just funny it is loaded with poignant social commentary and a moral about forgiveness that is timeless. While not a well read or loved as "The Importance of Being Earnest," it's a play that should be read and performed often.

An Ideal Husband - A Play by Oscar Wilde, is a tale about blackmail and political corruption, touching on the themes of public and private honour. Oscar Wilde is considered to be one of the greatest writers of all time, this is an exceptional work and definitely one to add to the collection. From the PublisherDesigned for school districts, educators, and students seeking to maximize performance on standardized tests, Websters paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running thesaurus at the bottom of each page, this edition of An Ideal Husband by Oscar Wilde was edited for students who are actively building their vocabularies in anticipation of taking PSAT, SAT, AP (Advanced Placement), GRE, LSAT, GMAT or similar examinations. PSAT is a registered trademark of the College Entrance Examination Board and the National Merit Scholarship Corporation neither of which sponsors or endorses this book; SAT is a registered trademark of the College Board which neither sponsors nor endorses this book; GRE, AP and Advanced Placement are registered trademarks of the Educational Testing Service which neither sponsors nor endorses this book, GMAT is a registered trademark of the Graduate Management Admissions Council which is neither affiliated with this book nor endorses this book, LSAT is a registered trademark of the Law School Admissions Council which neither sponsors nor endorses this product. All rights reserved.About the AuthorData Not FoundExcerpt. Reprinted by permission. All rights reserved.Websters edition of this classic is organized to expose the reader to a maximum number of synonyms and antonyms for difficult and often ambiguous English words that are encountered in other works of literature, conversation, or academic examinations. Extremely rare or idiosyncratic words and expressions are given lower priority in the notes compared to words which are "difficult, and often encountered" in examinations. Rather than supply a single synonym, many are provided for a variety of meanings, allowing readers to better grasp the ambiguity of the English language, and avoid using the notes as a pure crutch. Having the reader decipher a words meaning within context serves to improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. If a difficult word is not noted on a page, chances are that it has been highlighted on a previous page. A more complete thesaurus is supplied at the end of the book; Synonyms and antonyms are extracted from Websters Online Dictionary.
