Academy of Motion Picture Arts Science, Verna Ramsey, Academy of Motion Picture Arts . Scienc : Annual Index to Motion Picture Credits 1978. before purchasing it in order to gage whether or not it would be worth my time, and all praised Annual Index to Motion Picture Credits 1978.:

Format Hardcover Subject Film Reference Publisher Greenwood Publishing Group Incorporated

"The first section lists titles including full credits, specific date of release, duration, and MPAA rating. The second section consists of ten indexes: actors, art directors, cinematographers, costume designers, directors, film editors, composers, producers, sound engineers, and writers. Under each name in the indexes is listed the movie or movies for

which the person is given credit. Well done; recommended for all large libraries."-Choice?The first section lists titles including full credits, specific date of release, duration, and MPAA rating.
