Having found love five years ago, vulnerability and lack of control chased Jasmine off the battlefield leaving Santana to fight for them alone... But when their younger siblings meet on the dance floor and start a war of their own; How will Santana deal with his kid brother succeeding where he has failed? #resentfulmuch An'how can Jasmine's younger sister dive head first into a war she fled? #thatbitch In 2014, where texts fly quicker than insults and hashtags are longer than sentences; the present war is simple #whencomparedtothepast

"Very good, especially if you like a weird/unusual style of writing. 100% worth the read."
