**Bill Watterson : Attack of the Deranged Mutant Killer Monster Snow Goons (Calvin Hobbes)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Attack of the Deranged Mutant Killer Monster Snow Goons (Calvin Hobbes):

Calvin and Hobbes are back in another thrilling adventure involving escapes from girls, parents, and snow goon monsters. In Attack of the Deranged Mutant Killer Monster Snow Goons, Calvin suffers a host of hardships. He gets attacked by his new two-wheeler bike. Hobbes gets kidnapped by Susie, a slimy girl. His father cancels Calvin's personal TV network. Self-multiplying deranged mutant killer monster snow goons threaten to take over the yard. And if that wasn't enough, the ethicated duplicate of Calvin's good side wreaks havoc with his reputation by doing good deeds. Yet Calvin conquers all with his irrepressible spirit and a little help from alter-egos Spaceman Spiff, Stupendous Man, and Tracer Bullet, private eye. Readers are delighted by Calvin's resourceful wit, which applies to everything

from philosophical speculations to attempts to outsmart his parents.
