William J. Bullock : Bach Cantatas Requiring Limited Resources before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bach Cantatas Requiring Limited Resources:

This useful reference guide catalogs 47 of Bach's cantatas that are most likely to be performed by choral organizations of limited means. The cantatas catalogued require no more instruments than a string ensemble plus two woodwind instruments.

...useful... (The Music)...contains some very valuable information for the choral conductor, put together after long years of practical experience...It belongs in music libraries and on the shelf of anyone seriously working on selection of repertory for his group. (Sacred Music)...very useful for sifting out the most accessible cantatas for performance...Most appropriate for smaller high-school, public library, and community college use. (Choice)A useful tool... (Diapason)A useful tool... (Diapason)...useful...
