By Photo Genie This hefty volume contains some great photos and some interesting text, but I'm disappointed that it overlooked the series' regular supporting players, including Neil Hamilton, Alan Napier, Stafford Repp, and especially Madge Blake whose granddaughter provided access to the actress's personal notes and Batman scripts. The authors omitted the granddaughter's name from the acknowledgments section which is awkwardly titled "The family members of those that have passed on," instead listing her simply as a "researcher." Also, I noted that Ann Rutherford Dozier's name was misspelled in those credits. Those fans interested in the guest villains will find them well represented with oversized color photos, etc. I found that the particular font style of the narrative and its double-spacing made the book difficult to read. However, your average Batfan will be pleased with the book. 1 of 1 people

found the following review helpful. Na-Na-Na-Na----Batman !!!By Matt Stuart Jr.Any fan of BATMAN, will like this book. It covers the Adam West / Burt Ward series in GREAT Detail, covering the Good Guys, Bad Guys, Tools, Etc. Color Pics and articles cover all parts of the show. Anything you want to know about the show is here.0 of 0 people found the following review helpful. The delicious TV series deserved this delicious book - great pictures, great storiesBy Vitor Frana GalvoThe delicious TV series deserved this delicious book - great pictures, great stories! I had to close it and see some episodes... and then I went back to the book and I'm reading, reading and reading... So many memories from my childhood!

Batman: A Celebration of the Classic TV Series is the definitive book for all fans of the popular Sixties show. Presented in a lavish hardcover edition, the book features classic images, rare stills, photography and production art and serves as the ultimate tribute for fans of the series.Now at long last, collectors and Bat-fans alike can indulge in a detailed and in-depth look at the show that inspired generations.BATMAN and all related characters and elements are trademarks of and (c) DC Comics. (s15)

"The book does what it sets out to do with ease - it's a celebration of the camp series that is still the definitive representation of Batman for many of us....8 out of 10 Stars" --Starburst MagazineAbout the Author Robert Garcia is an editor, writer and graphic designer and has written for Filmfax, Locus, and Cinefantastique. At CFQ he developed a double-issue on the Batman 60s TV show, (written with Joe Desris), the first comprehensive look at the TV show and the first time many of the principal crew members had been interviewed. He was interviewed on the E! special on Adam West as an expert on the show.
