**Christopher Nolan : Batman Begins** before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman Begins:

1 of 1 people found the following review helpful. Good book By Mike P Story of the first Christopher Nolan Batman movie. Brother loved it as a birthday present. Perfect for the Batman fan in your family. 0 of 0 people found the following review helpful. A Quality Product Without The Hype of High-Color Gloss Photos By J. Alvarez This is a legit, professional product. If you're purchasing this for either leisure or for study, you'll definitely be getting your

money's worth. There's nothing wrong with those screenplays that they sell for a movie that is chock full of glossy, full-color photographs, but those publications change the layout of the script, which is another aspect of scriptwriting a student of that particular art needs to learn. The screenplay for "Batman Begins" has the complete script, a full storyboard collection, and interviews with the director and screenwriter of the film. Black and white. No frills. Professional. I highly recommend this product. You'll love it! 0 of 0 people found the following review helpful. Go behind the Bat! By Julio Camacho I've always found it fascinating on how they make movies nowadays. I've taken film classes, but it wanted to see the scripts that they use. This is the complete screenplay to the movie " Batman Begins." You not only can read the linings, but you can see how they decided to put together these scenes through the storyboards. This is an excellent item for any movie buff, or any budding filmmaker. It will give you an idea on how to start writing a screenplay, and you can go behind the scenes in see how they put together this blockbuster.

Batman Begins, directed by the award-winning Christopher Nolan (Memento, Insomnia), unveils the untold origins of the Dark Knight's emergence as a force for good in Gotham City. In the wake of his parents' murder, disillusioned industrial heir Bruce Wayne travels the world seeking the means to fight injustice and turn fear against those who prey on the fearful. He returns to Gotham City and unveils his alter ego: Batman, a masked crusader who uses his strength, intellect, and an array of high-tech deceptions to fight the sinister forces that threaten the city. As Bruce Wayne/Batman, Christian Bale heads an all-star cast that also includes Michael Caine, Liam Neeson, Katie Holmes, Gary Oldman, Tom Wilkinson, Rutger Hauer and Morgan Freeman. Visionary director Christopher Nolan has delivered the Batman we've been waiting for - a dark legend brought to life in a way never before imagined on the big screen. This volume contains the complete screenplay of Batman Begins by Christopher Nolan and David S. Goyer, together with storyboards for the picture drawn by Martin Asbury and James Cornish, and an exclusive interview with Christopher Nolan in which he reveals his cinematic vision of The Dark Knight.
