C. Gardner : Beckett, Deleuze and the Televisual Event: Peephole Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beckett, Deleuze and the Televisual Event: Peephole Art:

An expressive dialogue between Deleuze's philosophical writings on cinema and Beckett's innovative film and television work, the book explores the relationship between the birth of the event itself a simultaneous invention and

erasure - and Beckett's attempts to create an incommensurable space within the interstices of language as a (W)hole.
