Enda Walsh : bedbound misterman before purchasing it in order to gage whether or not it would be worth my time,

and all praised bedbound misterman:

In bedbound, a father and daughter share a small bed. He talks frantically about his extraordinary past in furniture sales; she talks no less compulsively about anything at all, to fill the terrifying silence in her head. In misterman, we enter the head of Thomas Magill, an unstable man whose mission is to bring God to his fellow townfolk of Inishfree.
