Finding a complete English language translation for this opera is exceedingly difficult. None of the CD sets have had one and the new Naxos has Italian only online. The English singing translation in this vocal score is accurate and faithful as a singing translation can be. 0 of 0 people found the following review helpful. Great music, great service! By Jeffery L. Goodlove I'm performing the role of Alberto and bought 2 copies, one for me and one for my vocal coach. Great music! Great service!
