**George Frideric Handel : La Resurrezione (Italian Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised La Resurrezione (Italian Edition):

Title: La Resurrezione, HWV 47 Composer: George Frideric Handel Original Publisher: Deutsche Handelgesellschaft The complete score to La Resurrezione, HWV 47, by Gerge Frideric Handel as edited by Friedrich Chrysander and originally published as Band 39 of the Deutsche Handelgesellschaft in 1878. Performers Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations

to create jobs for performers and to encourage audience growth.
