I am an avid puzzler so was excited to see two volumes of these puzzles. I thought they may be too easy because of the large print but I soon found this is not true. The words are well hidden within the grid. The answer key, if needed, is also full page/large print which makes sense. I look forward to many hours of puzzling with this book. I plan on using it along with the daily readings of the Liturgy. I hope there will be a volume 3 coming out. I did see that Mr. Edwards has a New Testament and an Old Testament in

extra large print but unfortunately the number of puzzles were dropped to 50, half the number.0 of 0 people found the following review helpful. Bible Word SearchBy SamspotGreat gift for my ninety-six year old friend's birthday. She enjoys the word search activity, which keeps her mind active, and she says it helps her with her daily Bible study as well. Large print makes it wonderful for those with some sight difficulty.0 of 0 people found the following review helpful. Great Gifts for MomsBy V colbertI purchased Vol 1 2 for my mother. Large Print Bible Word Search Volume 2 - Mom Approved! For years my 80 year old mom has loved to do word search puzzles. Most of the books she gets are small paperbacks and she sometimes struggles trying to read them. The so-called large print word search books are very often not that large and even worse the answers are usually crammed four to a page at the back of the book. This bible word search book is like no other! Each puzzle is full-page and extra-large with the word clues conveniently located at the bottom. Each puzzle grid is 21 X 21 large all-cap letters with the largest puzzles containing 24 clues, some multi-word. All the puzzles are numbered and the answers are conveniently located in the back. Just do a Look Inside to see how large the puzzles and answers are! I know you or your loved one will be thrilled with this large print word search book. Order yours now!
