Packed with more than 120 large print pictures for you to discover, this book promises hours of enjoyment. Each image is made from between 150-200 dots, so the puzzle will gradually unfold before your eyes. There is a wide range

of soothing and calming subjects, including images from the natural world as well as other symbols and scenes. The sense of achievement and well-being to be gained from completing these wonderful images is immense, and once the dots have been joined there is also scope for coloring them in.

About the Author Maddy Brook is a graphic designer and illustrator who was born in Queensland, Australia in 1995.
