Welcome to our large print book of Jigsaw Sudoku! This book features our best collection of jigsaw sudoku puzzles in large print font size. If you enjoy classic sudoku or other variants, but struggle to clearly see the numbers in the grid then this is the book for you! We have created the grids with a huge font size of 40pt! This is generally 4 times the sizes of a standard puzzle. Jigsaw regions are also coloured in different shades of grey to help the eye see the shape. If you are new to this puzzle type, How To Solve instructions are featured inside. We have also included solutions

towards the back so if you need a helping hand along the way, take a peek there! Good luck and happy solving
