HOWEVER, the spiral is covered by the front and back covers connecting over it. This means that if you fold the pages you have already done back, the book does not lie perfectly flat. I fixed that by cutting the covering up the center and trimming both edges to within 1/8" of the spiral spine.0 of 0 people found the following review helpful. Easy on the eyesBy elaineMy eyes aren't as sharp as they used to be - with Patrick Blindauer's Large Print Sudoku series, I can continue with my favorite relaxation activity.1 of 1 people found the following review helpful. This is a wonderful selection of puzzles in a large formatBy LuAnn AsherThis is a wonderful selection of puzzles in a large format. I purchased this book for my mother who is legally blind with macular degeneration. This book and others in it's series are the perfect size and boldness for her to make out. Wonderful!

There's no need to strain your eyes to train your brain, thanks to these super-sized, super-fun puzzles. Each 8_10 page features one sudoku, and each puzzle has large numbers, so it's easy to read and has plenty of space for writing. Large

Print Sudoku #2 is literally the next BIG thing in sudoku!
