K. Tanaka : Large Print Sudoku: 200 Easy to Medium Level Puzzles (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Large Print Sudoku: 200 Easy to Medium Level Puzzles (Volume 1):

0 of 0 people found the following review helpful. Large Print Sudoku By oldmehc This book is not in any way easy to medium. I have done sudoku for years, and this isn't easy to medium. It has about 10 numbers less per a normal easy puzzle, and about 5 numbers short of a normal medium puzzle. If you are used to (EX: Penny Press Puzzle books) then I would not buy this book. The only thing this has going for it is the large print, which is great. 0 of 0 people found the following review helpful. Five Stars By RM Griffin alwaysdaddygirl Awesome! No problems. 1 of 1 people found the following review helpful. Large Boxes By Carole Bought this for my daughter and she loves it. The boxes are large enough to write the possible answers in.

"My 90 year old mom loves this book!" -Dennis M. This book features the following: -200 puzzle grids -Easy and medium level puzzles, arranged in order of difficulty -Large print font for prevention of eye-strain -Simple instructions -All solutions Sit back, put your feet up, and get ready to relax with this great collection of Sudoku puzzles guaranteed to bring a little piece of joy to your daily life. So what are you waiting for? Grab yourself a copy! (Hint: This collection also makes a great gift to the Sudoku fanatic in your life!) Pssst...one more thing. Did you know the American Alzheimer's Association has endorsed Sudoku as a "brain game" that might help to reduce risk of dementia as we get older? That's what we call a "win win" in the business!
