The squares are large enough to write in small numbers to make the proper number selection. My suggestion for the next edition would be to have separate covers, front and back, bound together with the wire binding so they may be laid flat against each other. I have modified my copies and they work great. Check this out. Earl 0 of 0 people found the following review helpful. Five Stars By Rocelli I buy these for my 92 year old Grandma. She absolutely loves them! 0 of 0 people found the following review helpful. Easy On The Eyes By LEE Good FUN and great size numbers. What more can I say? Its a winner.
