Praveen Puri : Large Print Sudoku - Beginner: Easy To Read, Large Grid Sudoku Puzzles before purchasing it in order to gauge whether or not it would be worth my time, and all praised Large Print Sudoku - Beginner: Easy To Read, Large Grid Sudoku Puzzles:

0 of 0 people found the following review helpful. NOT for Beginners By pgerhart Each puzzle starts an average of 27 numbers. That is "hard" level. A "beginner" level has about 45 numbers and can be solved by inspection (without building candidate lists). An OK purchase if you like "hard" - but a rip-off if you are buying for "beginner".

A collection of fun and challenging Sudoku puzzles.
