I bought these for my 82 year old mother who is in a nursing home. She just informed me that she doesn't like them, not only because there are no categories on the pages, the words used are bizarre, and also because these books contain very offensive vulgar words as well as very suggestive/sexual words!!!0 of 0 people found the following review helpful. Great Books, especially for Eyeglass WearersBy Serenity2008I purchased these books for my mother and she loves them! Plus they are easier on her eyes than most puzzle books.0 of 0 people found the following review helpful. SatisfactionBy JimActually the wife loves it
