They have been thoroughly enjoying their daily afternoon puzzle time ever since. The large print is so easy to see and the spiral binder makes it convenient for them to keep open on their lap. They said the puzzles are reasonably challenging and a lot of fun too.10 of 11 people found the following review helpful. I get these for her as Christmas or Birthday gifts.0 of 0 people found the following review helpful. Perfect...By SheguayMy mother LOVES this book! Very happy she is happy.

A word search should be challenging because it's smartly constructed not because the letters are too small. Fortunately, these puzzles, with large print in both the grids and the word lists, let solvers see what they've been missing. So if you still can't find a word, it won't be because you couldn't read it . . . but because the word search is that good.
