Kenneth Quinlan, WMC Publishing : Large Print Word Search Puzzles Featuring Champions League Football Players (Word Search Large Print Books For Adults) (Volume 20) before purchasing it in order to gage whether or not it would be worth my time, and all praised Large Print Word Search Puzzles Featuring Champions League Football Players (Word Search Large Print Books For Adults) (Volume 20):

Word game books are great fun and the 50 large print word find puzzles in this book, each of which is based on the

names of Champions League football players, is no exception. Each word find game grid hides 30 names and, to keep things interesting, names can be placed horizontally, vertically or diagonally and can be entered as standard left-to-right text, or entered backwards! As with many word find puzzle books, the names hidden in each game are listed below the grid and, just in case you get stuck, the book also contains the solution for each puzzle. While this puzzle book is clearly suitable for adults, older kids will also find it to be great fun.
