From Eighth Note Publications : Largo Cantabile (from Flute Sonata #1): Part(s) (Eighth Note Publications) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Largo Cantabile (from Flute Sonata #1): Part(s) (Eighth Note Publications):

This is truly beautiful music ideal for weddings, church services or a recital to demonstrate lyrical playing. The key has been altered from the original to allow for easier performance. The range is very limited which allows for

maximum musicality and beauty of sound to be brought forward.
