Missing piecesBy CustomerI was very excited for this to come in, and I'm following through the score and I notice that in the recitative 'va l vecchia pedante' (page 47) part of cherubinos vocal line (about 3 bars) is not in the book. I am willing to overlook this as I found the measures needed online, but I hope there aren't more issues with the book in its entirety or it will have to be returned. Is it possible my book is misprinted? Who knows. Just carefully read your score and check for issues.1 of 1 people found the following review helpful. Fabulous vocal score .By oldtoraJust received it today and followed the duet : ' Sull'aria ? Che soave seffiretto ' with Susanna and the Countess . Fabulous vocal score in the original Italian , which is the poetry of the

opera . Very clear printing .1 of 1 people found the following review helpful. Well thought-out score.By T. KittleThe ricordi edition is great. Much better than the Schirmer with layout and many less accidental or incorrect edits. It's a nice go-between for those of us who don't want to shell-out for the Brenreiter.

(Vocal Score). Italian only, with an introductory plot synopsis in English.
