From Brand: Alfred Publishing : Le petit ngre: Sheet (Alfred Masterwork Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Le petit ngre: Sheet (Alfred Masterwork Edition):

2 of 2 people found the following review helpful. Great Edition of this Classic Piece By Bonnie Kreutz Just what I was looking for - I love the Alfred Masterworks editions. Le petite negre is great for upper intermediate level pianists. Students love it with its high energy and bouncy rhythms. If you're not familiar with this piece I highly recommend it.

This joyous excursion into ragtime rhythms, in Debussy's French impressionistic style, will delight both the pianist and the listener. It is played "Allegro Giusto" and includes chromaticism, and many varieties of touch, phrasing, and

dynamics.
